

I want to voice my opinion on NAB's petition 04-160. XM Satellite Radio and its local traffic and weather channels greatly assist me in my daily job. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to decide what I can hear. Respectfully, I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Thanks for your attention.
